TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Antrim, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on the ninth day of March, 1971 at one o'clock in the afternoon to act upon the following subjects:

The Polls will be open at one o'clock in the afternoon and close at seven o'clock in the afternoon.

The Articles in the Warrant will be taken up at seven o'clock in the afternoon.

1. To choose all necessary Town Officers, Agents and Trustees for the ensuing year.

2. To hear reports of the Auditors on the Town Officers' accounts, and act thereon.

3. To see if the Town will vote to raise and appropriate the sum of eighty-nine thousand three hundred twenty three dollars and ninety-four cents ($89,323.94) to pay normal operating costs of the Town (as set forth in the Town budget) or take any other action in relation thereto.

4. To see if the Town will vote to authorize and empower its Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of five hundred and forty dollars ($540.00) to support the Monadnock Region Association. —Monadnock Region Association

6. To see if the Town will vote to raise and appropriate one thousand and ninety-four dollars ($1,094.00) to support the services of the Monadnock Community Visiting Nurses Association, or take any other action thereon. —Monadnock Visiting Nurses Assoc.

7. To see if the Town will vote to raise and appropriate six hundred and thirty-six dollars ($636.00) to support the services of the Monadnock Mental Health Services, or take any other action thereon. —Monadnock Family & Mental Health Service

8. To see if the Town will vote to reimburse the Antrim Precinct in the amount of sixteen hundred and one dollars and forty-three cents ($1,601.43) for money expended on the repair of the Gate House and dam at Gregg Lake, or take any other action thereon. —Precinct Commissioners

9. To see if the Town will vote to erect a fire control signal system on Main Street and raise and appropriate the sum of five hundred and ten dollars ($510.00) to carry this into effect, or take any other action thereon. —Fire Chief and Commissioner

10. To see if the Town will vote to accept the use of a 1953 Firemaster Pumper, model 500 MC with a 750 G P M 2-stage pump and 650 gallon tank; Title, liability insurance, and registration to be the responsibility of the Civil Air Patrol until such time, under Federal Law, that the ownership is transferred to the Town, or take any other action thereon. —Fire Co. #2

11. To see if the Town will vote to raise and appropriate the sum of eight hundred dollars ($800.00) to resurface and tar Grove Street, or take any other action thereon.

12. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars ($15,000 00) for a full time Police Department, or take any other action thereon. —Police Study Committee

13. To see if the Town will vote to raise and appropriate the sum of forty five hundred and fifty seven dollars and eighty five cents ($4,557.85) to purchase a Police Cruiser or take any other action thereon. 40% of this amount ($1,823.14) will be paid from Federal Funds Police Department

14. To see if the Town will vote to install a street light at the junction of Routes 9 and 31 and raise and appropriate the necessary amount, or take any other action thereon. North Branch citizens.

15. To see if the Town will vote to authorize the Selectmen of the Town of Antrim to apply for, negotiate, and do all other things incidental to and necessary to obtain Federal, State or other assistance that may be available toward the construction of a Sewerage Collection System, Disposal System, and eligible, related expenses, or take any other action in relation thereto.

16. To see if the Town will (a) appropriate a sum of money for constructing sewers and sewerage facilities and for paying to the Town of Bennington a portion of the cost of constructing a sewage disposal and waste treatment plant in Bennington, (b) authorize a contract between the Town and the Town of Bennington relating to

the construction and operation of such facilities and plant and the disposal of sewage or waste collected in the Town, (c) authorize the selectmen to contract for federal or other aid in relation to such facilities, and (d) determine whether any appropriation under this article shall be raised by borrowing or otherwise, or (e) take any other action in relation to the foregoing.

17. To see if the Town will vote to authorize the Selectmen to enter into a contract with the Town of Bennington wherein Bennington will receive sewerage from the Town of Antrim and treat the same, and to raise and appropriate a sum of money for the first years cost thereof, or take any other action in relation thereto.

18. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying the Town of Bennington an initial contract cost and an annual service cost for the right of the residents of the Town of Antrim to utilize a sanitary land-fill disposal system to be constructed and maintained by the Town of Bennington for the disposal of wastes, refuse, etc., from the Town of Antrim and its residents; all in accordance with a certain contract proposed to be entered into by the Town of Antrim and the Town of Bennington, pursuant to the authority granted to the Selectmen of the Town of Antrim under Article Nine of the 1970 Annual Town Meeting, dated March 10, 1970, or take any other action in relation thereto.

NOTE; The preceding four articles are expected to be taken up at an adjourned session of the annual meeting. A motion will be presented to adjourn to September 15, 1971 at 7:00 P.M.

19. To hear the reports of committees and act thereon.

20. To transact any other business that may legally come before the meeting.

Given under our hands in said Antrim this tenth day of February, 1971.

Town Auditors

1970 JAMES A. TUTTLE LIBRARY REPORT

In 1970, the Library lost two of its strongest supporters. Ernest Ashford gave us many years of valuable direction as a Trustee and Mrs. Clara Pratt served for years as our Librarian. Both will be missed.

Mr. Benjamin Pratt was appointed Trustee by the Selectmen to complete Mr. Ashford's term.

The circulation of books for 1970 was $11,709.

On May 27, 1970, an all day meeting of the book selection committee was held at our library.

During 1970 our library had three visits from the bookmobile.

A very interesting display of mosaics, done by Antrim Elementary School grades 3, 4, 5 and 6, was seen during the school year.

New shelves have been added to the south room, making it possible to free the tables and other work areas.

Nathaniel Hawthorne College has been kind enough to open their library, not only to the children of Antrim but to the adults as well. We in turn opened ours to them.

A dehumidifier has been installed in the cellar reference room as moisture presented a problem to the valuable reference books housed there.

Our Librarian has purchased four Shakespeare Records with the Dorothy Waller Griswold Fund money. These records will be a great help to anyone studying Shakespeare or studying drama.

Our thanks to the following for their gifts to the James A. Tuttle Library.

Mr. Irving Blackburn
Mrs. Marie Nichlaus
Judge Kenneth McLaughlin
Miss Bernice Robb
Capt. & Mrs. Irving Gardner
Mr. & Mrs. William Chace
Mr. & Mrs. George Mason
Christian Science Church
Memorial for Mrs. Clara Pratt

Respectfully submitted:
JAMES A. TUTTLE LIBRARY TRUSTEES

Eleanor Lane
Priscilla P. Hurlin
Benjamin Pratt

CERTIFICATE

This is to certify that the information in this report is complete and correct, to the best of our knowledge and belief.

Dated January 25, 1971

Dorothy H. McCabe
Harold P. Grant
Richard L. Rablin
Trustees

We certify that we have examined the above accounts and find them to be correct.

January 25, 1971

Robert B. Flanders
Arnold Edwards
Town Auditors

AUDITOR'S REPORT

We, the undersigned Auditors of the Town of Antrim, hereby certify that we have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Collector of Taxes, James A. Tuttle Library, Trustees of Trust Funds including Securities as tabulated in the report, and deposits in Savings Banks and National Banks, and find the same correctly cast and properly vouched.

Arnold F. Edwards
Robert B. Flanders
Auditors

THE ANTRIM PLANNING BOARD

During 1970 the Antrim Planning Board held five meetings.

In January Howard Humphrey, Sr., was elected to serve as Chairman, Pro Tem. until Byron Butterfield was able to resume his duties.

The "Lazy J" land located in North Bennington was approved by the State of New Hampshire as a suitable location for a dump to be used jointly by Antrim and Bennington.

Byron G. Butterfield, Chairman
Howard Humphrey, Sr., Chairman Pro Tem.
Harold P. Grant
Stanley B. Tenney
Robert Flanders
Charles W. Gilmore
Mildred H. Dudley

REPORT OF THE SEWAGE STUDY COMMITTEE

This is in effect a continuation of last year's report on progress made toward the development of municipal sewage collection and treatment facilities.

The engineering work by Anderson-Nichols has been virtually completed, with plans submitted to proper state authorities for their necessary approval. Steps have been taken to procure options for pumping station sites, and the required easements for pipe lines, etc.

Cooperative efforts by the selectmen, sewer committees, planning boards and town counsels of both Antrim and Bennington have produced bases for working contracts between the two towns, which will provide for the construction and operation of a treatment facility in Bennington.

Meetings have also been held with representatives of three large banks relative to handling the bond issue for financing the proposed project.

Due to some procedural changes by the state and federal

agencies responsible for handling such projects, approval of engineering contracts was delayed to the point where it has become impossible to have all the necessary material prepared for public hearings, and to permit proper presentation before the March 1971 town meetings. Furthermore, uncertainties as to the availability of state and federal financial assistance have complicated the picture.

Therefore this committee has proposed that the several articles relating to the sewage system be acted upon at an adjourned meeting of the regular town meeting, in order to allow time to resolve adequately the problems involving: state approval of engineering plans and cost estimates, final drafting of inter-town contracts, availability of government support, etc. and to permit public hearings.

Since the development of a town dump site is so closely related to the above project, the committees in both towns have pursued the study of a site in North Bennington, which has been given state approval, and would appear to meet the requirements of both towns, for an acceptable sanitary land fill operation both for refuse and sewage treatment plant sludge. The committee therefore recomends passage of article

---

REPORT OF COMMITTEE ON TOWN OFFICERS SALARIES

After investigating the salaries of the Town Officers in relation to the service performed, we would like to make the following recomendations:

1. That the Chairman of the Board of Selectmen receive the sum of $650.00 per year, the other two Selectman to receive $550.00 per year and that they secure the services of a part time clerk to assist in the book work, to be available for routine business two afternoons or two evenings per week at a cost of not to exceed $1,000.00 per year.

2. That the Chairman of the Trustees of Trust Funds be paid at the rate of $150.00 per year and that the Trustees consult with the Town Counsel about consolidating the Cemetary Perpetual Care Funds.

3. That the Supervisors of the Checklist receive $75.00 per year.

The salaries and duties of the remaining Town Officers were reviewed and while there may be a few minor changes necessary in the near future, we feel that adjustments in salary are not necessary at this time.

Respectfully submitted,
Carboll M. Johnson
Howard S. Humphrey Sr.
Bruce S. Cuddihy
Committee

ANTRIM CONSERVATION COMMISSION

The comissioners worked with members of the Antrim Park Board in carrying out maintenance and improvment projects at Gregg Lake beach during the past year.

Prior to the swimming season, grading of the parking area was completed and additional guard rails were installed. Necessary water pump repairs and other water system adjustments were handled by the commissioners.

During the low water this fall, resulting from repairs to the dam, arrangements were made to remove the sand bar and deepen the area where the raft is anchored. Again, on behalf of the townspeople, we wish to express greatful appreciation to Smith Harriman for his services and equipment in making this improvement possible at a most opportune time.

The intake tubing from the lake to the pump has been subject to misuse and a too frequent item of maintenance. Because of the low water this fall, we were able to trench and cover the pipe so that this will not be a source of trouble and maintenance in the future.

In the coming year we would like to recommend and arrange for the following improvements at the beach:

1. Build a gravel-surfaced access road across the west end of the parking area for boat-launching.
2. Plant additional trees and shrubs at the beach and provide suitable protection to both old and new plantings to reduce physical damage by misuse.
3. Install additional guard rails in the parking area.

J. Milton Attridge
Richard Edmunds
Wayne Nichols
Horace Patterson
Commissioners

REPORT OF THE ANTRIM HISTORY COMMITTEE

Members of the Antrim history committee are continuing to collect material to be included in the narrative. In December notices were sent to New Hampshire Libraries stating that there were still copies of the history of Antrim families available. It is hoped that this will result in further sales. Anyone who would care to purchase this record may still do so at the James A. Tuttle Library. The committee asks that the balance of the appropriation for writing the narrative be retained for its use.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture-to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	—	484 fires	—	244 acres
DISTRICT	—	74	—	67

Forest Fire Warden
Henry F. Cutter

POLICE STUDY COMMITTEE REPORT

The police study committee has been working this year with only four members because one of the committee resigned and a new member was not appointed. We were very fortunate in having Wallace K. Flood work with us as an unofficial member. He has given us some valuable information due to his long experience in police work.

Antrim is in the same situation that Henniker was a short time ago, and we found some interesting parallels between the two towns. Both have about the same population and both have colleges within the town.

Through inquiry, we found that Henniker decided to take advantage of the New Hampshire Highway Safety Program. This program has money available from the Federal Government for partially funding the cost of police departments, including the salary of the chief, office equipment, cruiser and operating expenses.

The town, through its selectmen, asked the help of a committee composed of police chiefs of other towns, State police, an attorney and a representative of the sheriff's department. This committee surveyed the town to determine the needs and scope of a police department and reported their findings to the town. The town then advertised for a full-time chief through various media. The applicants were carefully screened by the committee and the selectmen. The actual hiring was done by the committee on a probational period of six months. At the end of the six months' period, the chief received tenure and cannot be dismissed except for just cause. If this should occur, he has the right to appeal through the courts.

Henniker's chief was hired from the metropolitan area of New York police. The arrangement has worked very well since he is new to the area and has no personal ties that could prejudice his dealings with the townspeople or college personnel. He has a number of deputies who are paid when they are on duty. The town provides life insurance for the chief and his deputies as well as accidental injuries. The town must also contribute toward the chief's retirement.

The best estimate we can come up with to institute the same program in Antrim would be approximately $20,000. Funds are available from the Highway Safety Program for 40% of the operating costs, including the cruiser and chief's salary, not to exceed $5,000. Monies are also available from the Governor's Commission on Crime and Delinquency if the need is justified. Therefore, we estimate that the initial cost to the town would certainly not exceed the sum of $15,000 per year. This amount would be sufficient yearly.

There seems to be a considerable amount of sentiment in Antrim for a full-time police force. We have endeavored to start the ball rolling by having an article in the town warrant to appropriate the $15,000 needed. We would recommend that the town follow about the same procedure which Henniker followed which was: having careful surveys made by outside police officials; report to the selectmen; advertising for a chief; selecting the candidate; hiring him on a six months' probational basis and then giving him permanent appointment with tenure rights and appropriate insurance.

Respectfully submitted,
Mrs. Joyce Davison
Dean Merle Jones
Mr. Wayne Nichols
Mr. Carroll Johnson
Chairman

PRECINCT WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of Antrim Precinct in the town of Antrim, qualified to vote in town affairs:

You are hereby notified to meet in the Town Hall in said Antrim Precinct, on March Tenth, 1971 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the year ensuing.

2. To choose all necessary Officers and Agents for the year ensuing.

3. To hear the report of the Auditors on the Precinct Officers' accounts and act thereon.

4. To hear the report of the Commissioners and Agents and act thereon.

5. To see how much money the Precinct will vote to raise to defray the expenses and existing debts for the ensuing year.

6. To see if the Precinct will vote to install meters on all services up to one inch, larger meters to be paid by the property owner with a credit of $90 allowed for each such meter, the total cost not to exceed $30,000; and authorize the Precinct Commissioners to issue notes up to $25,000 on such terms and interest rates as they deem prudent and advisable or take any other action thereon.

7. To see if the Precinct will authorize the Commissioners to set rates for metered water to bring in approximately the same amount of revenue as is presently received by water rates, or take any other action thereon.

8. To see if the Precinct will authorize the Commissioners to borrow such sum as may be necessary in anticipation of taxes.

9. To do any other business that may legally come before said meeting.

Given under our hands in said Antrim, this Eighth day of February.

Benjamin Pratt
Carroll M. Johnson
Bernard R. Lamb
Commissioners of the Precinct

A true copy, attest:

PRECINCT COMMISSIONERS REPORT

The year 1970 was a good year for the Precinct and we finished several projects started the previous year. The work at Gregg Lake was completed with the repair of the dam and the installation of a new gate and head works. The control gate was rebuilt and put into first class condition. With normal maintenance we feel that both these renovations should last for many years to come.

The automatic control for the pump at the Well House was completed and installed and seems to be functioning satisfactorily. The total cost was slightly less than $175.00 which is only a fraction of the authorized cost of $600.00.

The Gate House at Campbell Pond was rebuilt with a cast concrete slab replacing the old wooden structure. A new valve was installed in the line, downstream from the dam, in a vault. This will enable us to shut off the water, if need arises to make repairs on the line, which we have not been able to do for several years.

All of these projects have been carefully planned to avoid undue hardship or loss of service to our customers. Gregg Lake is probably as low as most people have seen it for several years, but we feel confident that it will be full by late spring.

Your Commissioners have been endeavoring to keep up with the latest types of water meters and readout systems as they come onto the market. It makes sense to us to install the same make and readout system of the towns around us and since both Bennington and Peterborough use Badger meters we propose to install these throughout the distribution system. We estimate it will cost the Precinct approximately $30,000 to install meters, provided that some of the larger meters are paid for by the customer. Most of this sum would have to be financed by notes, but since the Precinct is limited in borrowing power to 2% of the Precinct valuation of $2,837,000 we cannot exceed a total debt of $56,740. The existing debt being $31,800 we cannot borrow more than $25,000 but this should be sufficient to complete the installation.

New rates will of course, have to be established and we hope to set rates which will bring in the same amount of revenue as the present rates.

We would like to make the following recommendation:

1. That we raise the amount of $3,156.35 by taxation.

Respectfully submitted,
Carroll M. Johnson
Bernard R. Lamb
Benjamin Pratt
Precinct Commissioners
